**THE COMMISSION WILL CONSIDER AND MAY TAKE ACTION ON THE FOLLOWING:**

1. **Consent Calendar.** (Items will be taken up and voted on as a group. A commissioner may request that an item be moved and discussed later in the meeting.)
  - a. GOVERNOR'S OFFICE OF PLANNING AND RESEARCH. Proposed resolution approving MOU-19-002 with the Governor's Office of Planning and Research to provide in-kind professional services in support of the California Military Energy Opportunity-Compatibility Assessment and Mapping Project with the Department of Defense. Contact: Jim Bartridge.
  - b. REVISIONS TO THE GUIDELINES FOR CALIFORNIA'S SOLAR ELECTRIC INCENTIVE PROGRAMS (SENATE BILL 1), SEVENTH EDITION. Proposed resolution adopting revisions to the *Guidelines for California's Solar Electric Incentive Programs (Senate Bill 1)* and adopting the legal office's determination that this action is exempt from the California Environmental Quality Act (CEQA). Under the California Solar Initiative, the Energy Commission is tasked with developing the eligibility criteria, conditions for incentives, and rating standards for ratepayer-funded incentives. The proposed revisions would remove the limited version years of 2005 and 2008 from the accreditation requirements for third-party test laboratories for PV module performance testing to accommodate recent changes to accreditation standards. This revision will not change or impact testing standards, including PV-module performance testing standards. Contact: Abtin Mehrshahi.
  - c. FOOD PRODUCTION INVESTMENT PROGRAM. Proposed resolution approving an amendment to the *Food Production Investment Program Guidelines* to add budget information, modify award size, add eligible technologies, and clarify the technical scoring criteria. (GGRF funding) Contact: Cyrus Ghandi.
  - d. NEWCOMB ANDERSON MCCORMICK, INC. Proposed resolution amending Agreement EPC-17-014 with Newcomb Anderson McCormick, Inc. to reduce the budget by \$3,735,704 due to a scope of work change to decrease the deployment size of

- advanced plug load management devices, and adopting staff’s determination that this action is exempt from CEQA. (EPIC funding) Contact: Felix Villanueva.
- e. SPATIAL INFORMATICS GROUP, LLC. Proposed resolution approving a correction to Resolution No. 2019-0612-14 for Item 14 of the June 12, 2019 Business Meeting to correct the referenced agreement number to EPC-18-026 (instead of EPC-18-014). All other business meeting materials remain unchanged. (EPIC Funding) Contact: Alex Horangic.
  - f. ASSOCIATION OF WOMEN IN WATER, ENERGY AND ENVIRONMENT (AWWEE). Proposed resolution approving a purchase order with AWWEE, for a \$5000 co-sponsorship of their 2019 annual conference “Resilience, Adaptation & Innovation: Leading in a Changing Climate,” and approving use of the California Energy Commission logo in co-sponsorship advertisements. This co-sponsorship offers opportunities to promote Energy Commission programs and connect with policy and decision makers from the private and public sectors, while joining discussions on stakeholder activities and challenges in the climate change landscape. (ERPA funding) Contact: Tiffany Solorio.
  - g. CLEAN TRANSPORTATION PROGRAM POLICY COMMITTEE. Proposed order appointing Commissioner Patricia Monahan to serve as the sole and presiding member of the Clean Transportation Program Policy Committee, an advisory committee. The Commission makes this appointment pursuant to California Code of Regulations (CCR), Title 20, section 3104, and at this time is limiting this to a one-commissioner Committee. Pursuant to CCR, Title 20, section 3105, as the presiding member of this committee, Commission Monahan also serves as the presiding member of the advisory body required under Health and Safety Code section 44272.5. Contact: Patrick Brecht.
  - h. AIR LIQUIDE HYDROGEN ENERGY U.S., LLC. Proposed resolution approving Amendment 1 to Agreement ARV-17-021 for a hydrogen refueling station located at 3731 East La Palma Avenue, Anaheim, California 92806 to novate ARV-17-021 from Air Liquide Advanced Technologies U.S. LLC to Air Liquide Hydrogen Energy U.S. LLC. Contact: Lawrence Vettrano.
  - i. AIR LIQUIDE HYDROGEN ENERGY U.S., LLC. Proposed resolution approving Amendment 6 to Agreement ARV-14-007 for a hydrogen refueling station located at 3601 El Camino Real, Palo Alto, California 94306 to novate ARV-14-007 from Air Liquide Advanced Technologies U.S. LLC to Air Liquide Hydrogen Energy U.S. LLC. Contact: Lawrence Vettrano.
  - j. NATIONAL ASSOCIATION OF STATE ENERGY OFFICIALS. Proposed resolution approving Agreement 200-19-011 with the National Association of State Energy Officials (NASEO) for a \$23,941 contract to formalize the Energy Commission's membership. This one-year membership allows Energy Commission staff to connect with key policy and decision makers, officials from other state and territorial energy offices, and affiliates from the private and public sectors. The membership also provides a forum for exchanging information, ideas, and resources, and to learn about new funding and partnership opportunities. (ERPA Funding) Contact: Andrea Hoppe.
2. **Chair Hochschild’s China Trip.** Discussion of Chair Hochschild’s trip to China from June 9-18, 2019. Chair Hochschild met with senior Chinese officials throughout China to explore

ways in which California and China can continue to work together to promote mutually beneficial clean energy and carbon reduction programs. Contact: Alana Sanchez. (Staff presentation: 10 minutes)

3. **Discussion of Energy Commission Progress on Joint Agency Report, Charting a Path to a 100% Clean Electricity Future (Senate Bill 100).** Staff presentation on the clean energy goals established by Senate Bill 100, and a discussion of its requirement to issue a joint agency report due to the Legislature by January 1, 2021. Staff will also provide an update of the report development process, including the planned scope and public engagement process. Contact: Courtney Smith and Ken Rider. (Staff presentation: 10 minutes)
4. **Walsh Data Center (19 SPPE 02).** Proposed order appointing a committee of two commissioners to preside over the small power plant exemption (SPPE) proceeding and any other proceedings arising from the application filed on June 28, 2019, by 651 Walsh Partners, LLC for the proposed Walsh Data Center. The Walsh Data Center would be in Santa Clara and consist of a building that houses data servers and up to 80 megawatts of associated diesel-fueled backup generators to provide an uninterruptible power supply for the servers. The Energy Commission is the lead agency for the project under the Warren-Alquist Act and CEQA, and will prepare the appropriate environmental document. If an SPPE is granted, the project would be exempt from Energy Commission jurisdiction and subject to permitting by the City of Santa Clara and other agencies. Contact: Leonidas Payne. (Staff presentation: 5 minutes)
5. **Renewable Energy for Agriculture Program, GFO-18-401.** This solicitation sought proposals to accelerate the adoption of onsite renewable energy technologies on agricultural operations located in California designed to reduce greenhouse gas (GHG) emissions, reduce demand for fossil fuels and grid electricity, and provide additional co-benefits. (GGRF funding) Contact: Geoff Dodson. (Staff presentation: 5 minutes)
  - a. **LEMOORE UNION HIGH SCHOOL DISTRICT.** Proposed resolution approving Agreement REA-19-001 with Lemoore Union High School District for a \$300,000 grant to install a 413.2 kilowatt solar PV system to serve Lemoore's agricultural programs in Kings County, and adopting staff's determination that this action is exempt from CEQA. This project is expected to benefit priority populations.
  - b. **COSTAMAGNA FARMS NO.3.** Proposed resolution approving Agreement REA-19-002 with Costamagna Farms No.3 for a \$300,000 grant to install a 1,097.3 kilowatt solar PV system to serve a mixed crop farm in Fresno County and adopting staff's determination that this action is exempt from CEQA.
6. **City of Trinidad.** Proposed resolution approving Agreement 001-19-ECA with City of Trinidad for a \$49,280 loan at one percent interest for a 14 kWdc rooftop PV system, and adopting staff's determination that this action is exempt from CEQA. The project is estimated to save the city 18,956 kWh of electricity, resulting in annual energy cost savings of \$4,360. (ECAA funding) Contact: Nelson Peña. (Staff presentation: 5 minutes)
7. **Proposed Adoption of the Low Carbon Fuel Production Program (LCFPP) Guidelines.** Proposed resolution adopting the *Low Carbon Fuel Production Program Guidelines*, and adopting a determination that this action is exempt from CEQA. The LCFPP will provide up to \$12.5 million from the Greenhouse Gas Reduction Fund to support low carbon fuel production projects in the transportation sector to reduce GHG emissions. The program will emphasize

projects in disadvantaged and low-income communities and will foster projects that provide economic benefits to local communities. Contact: Taiying Zhang. (Staff presentation: 10 minutes)

8. **Bulk Purchase Pricing for Electric School Buses, GFO-18-604.** This solicitation sought proposals to establish bulk purchase prices for electric school buses under the Energy Commission’s School Bus Replacement Program. Contact: Diana Gonzalez. (Staff presentation: 5 minutes)
  - a. THE LION ELECTRIC CO. Proposed resolution approving ARV-19-002, a zero-dollar agreement with The Lion Electric Co. to establish bulk purchase prices for the following electric school bus types: Type A without chair lift; Type C with and without chair lifts; and Type D with and without chair lifts; and adopting staff’s determination that this action is exempt from CEQA.
  - b. A-Z BUS SALES, INC. Proposed resolution approving ARV-19-003, a zero-dollar agreement with A-Z Bus Sales, Inc. to establish a bulk purchase price for Type A electric school buses with chair lifts, and adopting staff’s determination that this action is exempt from CEQA.
9. **School Bus Replacement for California Public School Districts, County Offices of Education, and Joint Power Authorities, GFO-17-607.** Proposed resolutions approving agreements in the following table that replace 211 old, diesel-powered school buses with clean, all-electric school buses and install supporting charging infrastructure; and adopting staff’s determination that the installation of the charging infrastructure is exempt from CEQA. (Clean Energy Job Creation Fund and Clean Transportation Program funding) Contact: Diana Gonzalez. (Staff presentation: 10 minutes)

11. **The Regents of the University of California on Behalf of the Davis Campus.** Proposed resolution approving Agreement ~~600-18-007~~ 600-19-007 with The Regents of the University of California on behalf of the Davis campus for \$400,000 to conduct travel studies of plug-in electric vehicles (PEVs) used for full and part-time ride-hailing, car-sharing, and transit-oriented vehicle services. This agreement will analyze the growing impact of innovative mobility services, including transportation network companies and autonomous vehicle use, on travel behavior and charging demands for non-residential PEV infrastructure. The findings from this study will be incorporated into the Energy Commission’s infrastructure modeling work and 2030 infrastructure requirement projections. (Clean Transportation Program funding) Contact: Shaun Ransom. (Staff presentation: 5 minutes)
12. **Petition to Request a Rulemaking Hearing.** Consideration of and possible action on an order on a petition requesting the Commission to initiate a rulemaking hearing under Title 20 CCR section 1221. The petition was filed by Steve Uhler on June 12, 2019, and certified as complete by the Executive Director on June 18, 2019. The petitioner requests a rulemaking hearing to amend Title 20 of the CCR to provide regulatory language allowing a person wishing to file a document with the Energy Commission to open a docket to receive the filing or otherwise amend section 1208 to ensure the public can file documents in a proceeding with the Energy Commission. Contact: Jared Babula.
  - a. Possible closed session deliberation on the above described petition. [Government Code Section 11126(c)(3)].
13. **Minutes.** Possible approval of the June 12, 2019 business meeting minutes.
14. **Lead Commissioner or Presiding Member Reports.** A lead commissioner on a policy matter may report to the Commission on the matter and discussion may follow. A presiding

member on a delegated committee may report to the Commission on the matter and discussion may follow.

**15. Executive Director's Report.**

**16. Public Adviser's Report.**

**17. Public Comment.** Individuals may speak up to three minutes on any matter concerning the Energy Commission, with the exception of items appearing on this agenda or items related to pending adjudicative (certification or enforcement) proceedings.

**18. Chief Counsel's Report.**

- a. Pursuant to Government Code section 11126(e), the Energy Commission may adjourn to closed session with its legal counsel to discuss any of the following matters to which the Commission is a party:
  - i. *In the Matter of U.S. Department of Energy (High Level Waste Repository), (Atomic Safety Licensing Board, CAB-04, 63-001-HLW); State of California v. United States Department of Energy* (9th Cir. Docket No. 09-71014).
  - ii. *Communities for a Better Environment and Center for Biological Diversity v. Energy Resources Conservation and Development Commission, and California State Controller* (Alameda County Superior Court, Case No. RG13681262).
  - iii. *State Energy Resources Conservation and Development Commission v. Electricore, Inc. and ZeroTruck* (Sacramento County Superior Court, Case No. 34-2016-00204586)
  - iv. *Natural Resources Defense Council, Inc., et al. v. United States Department of Energy* (Federal District Court, Northern District of California, Case No. 17-cv-03404).
  - v. *City of Los Angeles, acting by and through, its Department of Water and Power v. California Energy Resources Conservation and Development Commission* (Los Angeles Superior Court, Case No. BS171477).
  - vi. *Helping Hand Tools v. California Energy Commission, and Vantage Data Centers LLC.* (Sacramento County Superior Court, Case No. 34-2018-80003026)
